## Message from the President

### GREETINGS FROM THE PRESIDENT

Wishing all of you a Happy Spring. As the weather warms we will be thinking about all the trips we may want to be making this summer and fall. We have already had two successful rallies and have three more planned. I want to express my thanks to our V.P. of Rally, Barbara Jensen for doing such a good job and also to Jim & Marnie Weidmaier for Hosting the Branson Rally where we will be joined by Members from the Chinook Camping Club. It will be the first joint get together since the Chinook Club was organized at the factory in 2003. Bert and I have had to miss the 1st two Rallies this year because of family commitments, so we are looking forward seeing old friends and making new ones at the Plymouth Rally in July.

Jim Weidmaier has checked out our RV Park in Branson Mo, after the tornado that hit their area. Lakeside RV Park has opened for the season and is in good condition. Jim has negotiated a rate of \$23.80+04% tax. If you are planning on making the trip with us, please call and make your reservation soon. They do not require a deposit. You can find the information in this Newsletter. Also, check out the fun train trip into the Grand Canyon that Barbara Jensen has planned for our Annual Rally in September.

You should have received the 2012 Directory by now. Thanks to Kelli and Jerry Scheese. We all appreciate the work she does as V.P. Membership. The Eastern Chinook Club has finalized the route and timing for the July trip to Alaska. Some of our members are joining them. If you think you might be interested in joining them, you can contact: Eileen Disbrow at chinook121@tampabay.rr.com. She will email you all the information.

I want to welcome our new members and encourage you to join us at a Rally, so we can all get to know each other. Looking forward to seeing you at the Plymouth Rally.

*Marta Newcomb-Wall*

### *The Lawyer and the Senior*

A lawyer and a senior citizen are sitting next to each other on a long flight. The lawyer is thinking that seniors are so dumb that he could get one over on them easily. So, the lawyer asks if the senior would like to play a fun game. The senior is tired and just wants to take a nap, so he politely declines and tries to catch a few winks.

The lawyer persists, saying that the game is a lot of fun... "I ask you a question, and if you don't know the answer, you pay me only \$5.00. Then you ask me one, and if I don't know the answer, I will pay you \$500.00," he says. This catches the senior's attention and, to keep the lawyer quiet, he agrees to play the game.

The lawyer asks the first question. "What's the distance from the Earth to the Moon?"

The senior doesn't say a word, but reaches into his pocket, pulls out a

five-dollar bill, and hands it to the lawyer. Now, it's the senior's turn. He asks the lawyer, "What goes up a hill with three legs, and comes down with four?"

The lawyer uses his laptop & I-Phone 4 to search all references he can find on the Net. He sends E-mails to all the smart friends he knows; -- all to no avail. After an hour of searching, he finally gives up.

He wakes the senior and hands him \$500.00. The senior pockets the \$500.00 and goes right back to sleep. The lawyer is going nuts not knowing the answer. He wakes the senior up and asks, "Well,-- so what goes up a hill with three legs and comes down with four?"

The senior reaches into his pocket, hands the lawyer \$5.00, and goes back to sleep. \*\*\*

### *More Points to Ponder*

Is it good if a vacuum really sucks.

Why is the third hand on a watch called the second hand?

If a word is misspelled in the dictionary, how would we ever know?

Why do we say that something is "out of whack"? What is a whack?

Why does "fat chance" and "slim chance" mean the same thing?

Why do "tug" boats push their barges?

Why do we sing "Take me out to the ball game" when we are already there?

Why are they called "stands" when they are made for sitting?

Why is it called "after dark" when it is really "after light"?

Doesn't "expecting the unexpected" make the unexpected expected?

Why is "phonics" not spelled the way it sounds?

If all the world is a stage, where is the audience sitting?

### *Louisiana Ghost Story (true story)*

Even if you're a non-believer you are going to love this!

This happened about 6 months ago on Louisiana Hwy 57, just outside of Dulac, a little town in the bayou country of Louisiana, and while it sounds like an Alfred Hitchcock tale, it's real.

An Ohio businessman, Saul Rubins, abandoned his disabled vehicle on the side of the road, and attempted to hitchhike. The night was pitch dark and he was in the middle of a thunderstorm. Time passed slowly and no cars went by. It was raining so hard he could hardly see his hand in front of his face. Suddenly, through the sheets of rain, he saw a car moving slowly, approaching and appeared ghost-like in the rain. It slowly and silently crept toward him and

stopped.

Desperately needing a ride, Saul jumped in the car and closed the door. Only then did he realize that there was no one behind the wheel and no sound of an engine could be heard over the rain.

Again the car crept silently forward and Saul was terrified, too scared to think of jumping out and running.. He saw that the car was approaching a sharp curve and, still too scared to jump out, he started to pray and beg for his life; he was sure the ghost car would go off the road and into the bayou and he would then drown! But just before the curve, a shadowy hand appeared at the driver's window, reached in and turned the steering wheel, guiding the car safely around the bend. Then, just as silently, the hand disappeared through

the window and Saul was alone again. Paralyzed with fear, Saul watched the hand reappear every time they reached a curve. Finally, scared nearly to death, Saul had all he could take, jumped out of the car, and ran to town..

Wet and in shock, he went into Schmoopy's. Voice quavering, he ordered two cups of coffee, black, and then told everybody about his supernatural experience. The room became silent and everybody got goose bumps when they realized Saul was telling the truth and was not just some drunk.

About 30 minutes later two Cajuns, dripping wet, walked into Schmoopy's and one says to the other, "Look, Boudreaux, ders dat idiot what rode in our car when we wuz pushin' it in da rain!!!"

## Pahrump, Nevada Rally, Held March 22-25, 2012

Most of the members arrived a day early, so anxious to be at the rally again. Most of these same members attend most of the rallies. There were 10 coaches at this rally. The RV park changed owners recently, and the new owners started to make changes. The Cable TV had now worked for the past 2 years, and this year the internet antennas throughout the park were inoperative. The new owners promised a new system later in the year. We'll have to see. We did see some changes to the better. They had a crew clean up the lake there, taking out a lot of debris and bringing in back toward it's formal beauty. The grounds have always been clean, but all in all this is a really beautiful park.

**Thursday 3-22-2012.** We all met at Raudman's (hosts) site for our attitude adjustment and to make a great sandwich with all ingredients furnished and set

out by the Raudmans. Pulled pork in BBQ sauce, ciabatta rolls and all the trimmings. The RV park supplied us the five 6' tables. It was a BYOC (Bring your own chairs) event.

Brian and Donna Buss, first time and new members were introduced so we all wore our name tags to make it easier for them to remember us.

Even Bob and Vera put on their name tags

**Friday 3-23-2012.** This was a free day, as weather was great. Some of the group toured the area, while the rest of us couch potatoes relaxed, read or slept. In the evening, we got together for our

first official pot luck. Out came the great dishes we have gotten used to

bringing. As usual there was plenty to eat, and enough leftovers for another pot luck, which would take place tomorrow. The tables supplied by the RV park came in handy to set up the food. We sat around and swapped stories and tips since the last rally. The weather was great, not much wind for a change. We talked into the night and retired.

**Saturday 3-24-2012.** This was another free day to do what ever we had a mind to. Stroll around the lake, read or just "couch potato". Pot luck was set around 5pm. The tables supplied by the

park were pushed together this time, and we sat around them. We aren't sure if the tables are too high, or the

chairs too low. We looked like midgets sitting around the table. After dinner, we had our group picture taken. It was

overcast today, and a little windy. We even got a little sprinkle of rain during the night.

Since the internet was basically down in the park (unless you wanted to go over to the office where it worked), those who had the latest electronic communication devices were still able to get through. Our webmaster, Dave Shehane shows how it works.

**Sunday 3-25-2012.** Some left by 7am, other left right up to the check-out deadline. All in all, everyone had a great time, again!!

### OLD FASHIONED PECAN PIE

Submitted by Mike Froess

Serves 8 to 10 Regular or mild molasses tastes best in this pie. Use your favorite pie dough .

#### INGREDIENTS

- |  |   |                     |
|--|---|---------------------|
| 1 cup maple syrup  | 1 cup packed light brown sugar                          | 1/2 cup heavy cream |
| 1 tablespoon molasses  | 4 tablespoons unsalted butter, cut into 1/2-inch pieces | 1/2 teaspoon Salt   |
| 6 large egg yolks, lightly beaten  | 1 1/2 cups toasted and chopped pecans                   |                     |
| 1 (9-inch) unbaked pie shell (see note), chilled in pie plate for 30 minutes |   |                     |

#### INSTRUCTIONS

1. **Make Filling:** Adjust oven rack to lowest position and heat oven to 450 degrees. Heat sugar, syrup, cream, and molasses in saucepan over medium heat, stirring occasionally, until sugar dissolves, about 3 minutes. Remove from heat and let cool 5 minutes. Whisk butter and salt into syrup mixture until combined. Whisk in egg yolks until incorporated.
2. **Bake Pie:** Scatter pecans in pie shell. Carefully pour filling over. Place pie in hot oven and immediately reduce oven temperature to 325 degrees. Bake until filling is set and center jiggles slightly when pie is gently shaken, 45 to 60 minutes. Cool pie on rack for 1 hour, then refrigerate until set, about 3 hours and up to 1 day. Bring to room temperature before serving.

**Why this recipe works:** The pecan pies of today bear little resemblance to their 19th-century inspiration. We recreated an Old-Fashioned Pecan Pie without using modern-day processed corn syrup. Many traditional syrups (cane, sorghum) produce a great pie, but you have to mail away for those ingredients. In the end, combining maple syrup with brown sugar and molasses replicated the old-fashioned versions perfectly. We started the pie at a high oven temperature and then dropped the temperature to ensure the bottom crust was crisp and golden brown.

### Shrimp Scampi on Penne

Submitted by Mary Esther Chevarella Makes: 6-8 servings

#### Ingredients:

- |   |   |
|---|---|
| 1 cup butter                              | 3 tablespoons prepared Dijon-style mustard              |
| 3 tablespoon fresh lemon juice            | 3 tablespoon chopped garlic                             |
| 2 tablespoon chopped fresh parsley        | 2 pounds large size cooked shrimp, shelled and deveined |
| 1 box (approx. 14-15 oz size) penne pasta |   |

#### Instructions:

- 1) Cook the pasta according to package instructions. While it cooks,
- 2) In a large saucepan over medium heat, combine the butter, mustard, lemon juice, garlic, and parsley. Cook for about 5-8 minutes, constantly stirring with a wire whisk.
- 3) Add the shrimp and continue to cook until it boils again for 2 minutes. Remove from heat.
- 4) Drain the pasta. Pour the butter-shrimp mixture over the pasta and toss until all are well blended.
- 5) Transfer it to a casserole or serving platter and garnish with a few thin slices of lemon and parsley.

### Chicken

Submitted by Mike Froess

Serves you right

Our teacher asked us what our favorite animal was, and I said “fried chicken”.

She said it wasn't funny, but she couldn't have been right, because everyone else in the class laughed.

My parents told me to always be truthful and honest, and I am. Fried chicken IS my favorite animal. I told my dad what happened, and he said my teacher was probably a member of PETA. He said they love animals very much. I do too. Especially chicken, pork and beef. Anyway my teacher sent me to the principal's office I told him what happened and he laughed too. Then he told me not to do it again.

The next day in class my teacher asked me what my favorite LIVE animal was.

I told her it was chicken. She asked my why, just like she'd asked the other children. So I told her it was because you could make them into fried chicken.

She sent me back to the principal's office again. He laughed, and told me not to do it again. I don't understand. My parents taught me to be honest, but my teacher doesn't like it when I am.

Today, my teacher asked us to tell her what famous person we admire most. I told her “Colonel Sanders”

Guess where I am now....
