## President's Message

*We* have had another great Annual Rally, held at Lake Tahoe and hosted by **Lynne Hansen and Jerry Lasarow**. Come to think of it, all our Rallies, Mini and Annual have all been great. This year we have had more members host Rallies. **Vera and Bob Raudman** stepped forward to continue the Pahrump Mini Rally, **Jim and Janice Still** with co-hosts **Kathy Bailey and Jan Olmsted** put on a Mini Rally in Quincy, Ca. **Trixie and Lynn Ewers** put on a Mini Rally in Moab, Utah with trips into Arches and Canyonlands National Parks. All these Rallies were put on by members stepping up to host their 1<sup>st</sup> Rally and all were very well attended. I am so proud of you. I thank all of you very much, those who hosted and those who attended.

We have a lot of members that we haven't had the opportunity to get to know yet. I hope that we will see more new faces at the Rallies this coming year.

We have three new Board Members,

elected at the Annual Meeting. **Barbara Jensen** was elected V.P. Rally. She has a lot of ideas and we are excited to have her as V.P. Rally. **CB Davis** will be missed but will remain an active member. Barbara has already organized a Christmas Celebration Rally in Chula Vista. I also welcome **Jan Olmsted** as our new Board Member at Large. A big thank you to **Vera Raudman** for agreeing to finish out **Jane Earley's** remaining two years as Secretary. Jane has resigned due to family matters as her mother is very ill.

We would like to see a more timely renewal of memberships, so we can get the Membership Directory printed and sent out in January. Our Treasurer, **Bert Wall** will be sending out renewal statements on or about October 15<sup>th</sup>.

I am looking forward to meeting old friends and making new ones at the Rallies in our new year. Hope to see all of you there.

*Marta Newcomb-Wall*

## 6th ANNUAL RALLY,

## Lake Tahoe, Nevada

## September 14-18, 2009

**Monday  
9-14-2009**

Arrived at Zephyr Cove RV park, Lake Tahoe. We had a pot luck gathering (a meet and greet) and by that time had 18 units here ( 2 more were coming Tuesday). The meeting was at the hosts ( Jerry (the Judge) Lasarow and Lynne Hansen) RV site .

"Meet & Greet" pot luck

Then we had a presentation by David Borges D..C. (Yes, he's a chiropractor), but he also teaches a course in a local college on the history of the Lake Tahoe area.

David Borges, D.C. presents Lake History

He gave a very good presentation on its geological history, how it

was named, statistics, and more information.

**Tuesday 9-15-2009**

The day started out with coffee, bagels, rolls, muffins and OJ at the group site, by our Hosts for this rally, Jerry and Lynne. Then at 11am, we went across the street to the lake,

M.S. Dixie II

and boarded the Dixie II, stern wheel paddle boat, for a cruise over to Emerald Bay. The lake was calm, and clear skies, a great day for a cruise. We had an on board buffet lunch on the way, and finished just before entering Emerald Bay. We viewed the castle on top of the island (tea house), and the historic house on the beach, and listened to a narrative of the history of the lake and house. We cruised around the bay, and on the way

out, I was able to see the lake bottom in the shallows (at the mouth of the bay), thru a glass bottom port in the boat. Since it is just a little over 5' deep there, and the boat has about a 4' draft, they went very slowly over that area. I could see ripples and rocks in the sand as we passed over the area. On the way back to port, it got a little breezy, so we were glad to have brought along a coat to wear.

We arrived back around 2pm and were on our own for dinner that night. We had an uninvited visitor early in the evening, as a bear (so we were told), dined in the garage dumpster. Fortunately, we didn't see him.

**Wednesday, 9-16-2009**

Another great morning, clear skies and calm. An impromptu

gathering was again at the hosts site, and then at 10am, the two tour buses arrived, for a road tour completely around the lake (72 miles). We were in the first bus, and immediately had

Ready to roll for tour around Lake Tahoe

second thoughts about this trip, when our bus couldn't move.

Our driver, although a veteran driver ( his usual bus is a 45'er), it

this was his first time in this bus. He couldn't seem to get it into gear, and the bus wouldn't go. He got help from the second driver, and so we started off, and stopped for the signal at the highway. When the light turned green, our bus just rolled into the intersection and stalled, the engine revved up, but the bus refused to go. After several tries, and another signal change, he somehow managed to get it to move. Not a con-

fidence builder by any means. I heard him cell phone his office, and mention the problem, but they didn't seem to be too concerned, anyhow, we were now moving.

Jerry Lasarow, our co host, narrated sights and points of interest along the way. We made a stop at Taylor Creek Visitors Center. Walked along the nature trail, and viewed spawning kokanee salmon in the creek, and as luck would have it, they arrived two weeks early.

Kokanee Salmon in creek at Taylor Creek Visitors Center

We continued our drive along the highway, and saw spectacular views of the lake from an overlook pull out. (By now, our bus driver figured out that the air conditioner must be turned off in order for the bus to move. Once underway, he could turn on the A/C.) Our next stop was at the Sugar Pine Point, and the Hellman-Ehrman mansion there. The mansion was built in 1903 as a summer estate.

Hellman-Ehrman Mansion- Just another summer home

Our next stop was Squaw Valley, where we saw the Olympic torch at the entrance that has been lit since the Olympics were held there. Now it was time for lunch, so we were on our own to get something to eat. Unfortunately, most of the shops were closed, however the Pizza place and a soup place were open, so we didn't starve.

Lunch at Squaw Valley Village.

Then, back on the bus, and we

continued around the lake, but due to road construction, we were delayed twice. We drove thru North shore, Incline village, and past what was left of the Ponderosa Ranch. It's now privately owned and closed to public.

We arrived back at RV park around about 4:45, and agreed to have another "Pot luck" with leftovers from the previous night.

"Pot Luck II" and "Tech Talk"

See TAHOE, Page 4

## TAHOE Continued from page 3

More food came out and we enjoyed every bit of it. During the dinner, three members (Bert Wall, Barry Prentice and Bill Graham) held an informative "tech talk" moderated by Jerry Lasarow. They covered such topics such as tire pressure, drain valve location, paint problems, spare parts sources and websites.

Then to close out the evening, the campground hosts treated us, at least those who were interested, to an outdoor movie.

### Thursday 9-17-2009

Another beautiful morning, and we were free until noon, when two shuttle buses picked us up for a trip

into town for shopping, gambling sightseeing or whatever.

We were dropped off at the Mont-Bleu Casino, and all scattered from there. This area has changed, with a new shopping

complex, and attractions like the Gondola ride to the top of the mountain .

Some of us went shopping for bargains, or snacks or lunch. A few tried gambling, but I didn't hear anyone bragging about winning piles of money when we boarded the bus for the trip back around 3pm. The dinner and meeting was held just across the street at the Zephyr Cove Inn. The restaurant closed just for us, so we could hold our meeting there. It was a great dinner: prime rib, stuffed chicken, salad, veggies and all the trimmings, including chocolate mousse pie.

## MOAB RALLY 9-27 to 10-2-2009

Moab ! Wow! Lynn and Trixie Ewer did a fabulous job hosting a great rally! Thank you. Thank you !!

There is so much to see and do there (besides off-roading). We could probably go there every year for the next 10 years and not see and do all there is to do.

Our first day was a drive through Arches National Park and a hike to see some fantastic arches. The Scenery was amazing. The second day was a taste of Canyon lands with a picnic at the top of Dead Horse Point. (read attached from Bruce Gallagher for more info) Even if you don't have, or rent, an off-road vehicle there is so much you can see and do, like biking, hiking, rafting, jet boating, golfing, etc.etc. Some of us drove our Chinooks to see some really unbelievable scenes. Just ask those who attended; Lynn and Trixie Ewer, Ray and Linda Blackburn, Bob and Eleanor Cox, Ole and Barbara Jensen, Jerry Lasarow and Lynne Hansen, Bert and Marta Wall, Bob and Vera Raudman, Fred Winchester, Bob and Debbie Shetland, Bruce and Sharon Gallagher and Barry and Lena Prentice. We would all love to do Moab again next year!

One of the owners of the Portal RV Resort has offered to get enough "off-road" vehicles with professional drivers, to take everyone on a once-in-a-lifetime ride to see some incredible scenery.....AT NO CHARGE! Now, we need someone to step-up and host a Moab Rally in 2010. (Lynne and Trixie

will be on a long trip to the East) So, if you are interested, call me, Barbara Jensen @ (626) 919-0751 soon.

*Barbara Jensen, V.P. Rallies*

## Here's what our newest members had to say about their first Chinook Rally at Moab

How does one describe five days spent in nature's smorgasbord? Moab...what an adventure! Chinookers were treated to the likes of Delicate Arch, Landscape Arch and Fiery Furnace. Scenic hikes in these mystical places revealed a sculpted wonderland around every corner. Soaring canyon walls and towering cliffs of a thousand hues abound.

If Jeeping was your thing, Moab's trails did not disappoint. Canyonlands, Elephant Hill, White Rim Trail and Shafer Trail provided plenty of thrills; and the scenery was spectacular. We discovered places like Devil's Garden, Joint Trail, Dead Horse Point and Gemini Bridges.

Moab offers an abundance of activities. Hiking, biking, jeeping and rafting are just a few. It's not surprising the movie industry discovered Moab. The John Wayne Museum at Red Cliffs Lodge was a trip down memory lane. We also got to taste Moab wines at the Castle Creek Winery.

Moab's southwestern-style Main Street area features unique shopping and dining opportunities. Our hosts Trixie and Lynn Ewer went above and beyond in providing participants the opportunity to experience the magic that is Moab. Judging by the non-stop smiles on everyone's faces, a good time was had by all. I suspect the Chinook RV Club has not seen the last of Moab! This being our first rally, we cannot express how great it was to meet and spend time with you all. We are really looking forward to future rallies in our Chinook.

*Bruce & Sharon Gallagher and Gatsby*

## Don't miss this Chula Vista Rally

We are pleased to announce that there will be another Chinook RV Club rally held in Chula Vista this December 10 - 13. This will be a laid back rally, with lots of free time to visit and get re-acquainted with members.

On that weekend, the RV park has scheduled its annual "Christmas Wonderland & Chocolate Extravaganza". Park guests are invited to "light up and decorate their rigs" with Christmas decorations. All that is required to be eligible to receive complimentary tickets to their "Chocolate Extravaganza" is that you have at least ONE holiday decoration. SOOOOOO, bring your lights, pictures or other decorations and join in the fun.

For further info on the Park, check out their website <http://www.chulavistarv.com/>, click on "events", scroll down to the bottom for "Christmas Wonderland". Getting any ideas yet?

Andrea from the RV park advises "Our Chocolate Extravaganza is becoming very popular. It is a fun filled evening with fantastic decorations, great entertainment, and all the chocolate you can eat in one evening. The Resort and Marina are covered in lights which puts off a glow that can be seen from the highway. It is truly a night to remember. Our entertainment this year is a group of about 20 men singing Christmas songs that will knock your socks off. They have performed here on several occasions and are very enjoyable".
