PURPOSE: This Club (Chinook RV Club) exists to promote social, recreational & informational exchange activities that provide for the enjoyment and pleasurable use of all its members. Our club functions primarily in the western and central US, although it is open to qualified members from the Eastern club (Chinook Camping Club).

DUES : Our dues are \$35.00/year. Our fiscal and membership year is October 1 through September 30. Prompt payment not only helps Treasurer in budgeting expenses, but also helps the V.P.Membership to produce our Membership Directory. Please advise V.P.Membership of any changes in e-mail and mailing addresses.

Message from the President

Having just returned from our great 2013 rally in Desert Hot Springs, I am energized by the enthusiasm that our members are putting into the planning and putting on of great activities for the benefit of all of our members. A great thanks to Al and Eva for their work putting together a great annual rally! And the reports from our Rally VP's are exciting. There are great mini-rallies and rallies to come in the next year along with the new "Flash" rallies, all giving our members more opportunities and options to get out with their Chinooks, see more places, and meet more people. It is all truly exciting. It is the core of what our club is about....

As I reported at the annual meeting, I recently talked to John Chelis, the ex Trailwagons Marketing VP who works for Phil Rizzo, the owner of Wagon Trail RV and the new Chinook venture. They are moving ahead full bore with the first prototype, an improved Glacier that will be off the line in December. Next will be the Concourse; then an all new 24 ft on a Mercedes Chassis. Then they are thinking about a 30 ft 'ish w 3 slides on a Workhorse chassis based on a floor plan that one of the major RV makers dropped. They expect to start taking orders in about 3 months. The new Chinooks are being built at the Country Coach (CC) plant in

Junction City, Oregon (near Eugene). I gather there are some complicated joint agreements with CC as CC struggles to return from the corporate bankruptcy graveyard. The original founder of Country Coach has taken over the bankrupt CC assets and is presently in the parts and upgrade business for their prior coaches.

Dues are past due! PLEASE send your checks to Kelli so we can print the roster. It is one of the only administrative tasks of the club and becomes bothersome to extend and extend the printing just to try to get everybody into the roster. Please sit down right now and send your dues check in....still only \$35 a year per coach.

So, as the fall turns to winter and some are looking to winterize their coaches for a winter's nap, we all should look forward to an exciting schedule of flash rallies, mini-rallies and next year's annual rally. I for one am looking forward to just seeing my coach again after a long hiatus at the repair shop.....see you all at next year's rallies!

Sylvia Speak (VP Rallies)

Dear Fellow Chinookers:

Eva and Al Molina brought out there A+ game. What a great rally. Fun-fun-fun. We all loved every minute of every day.

First day, Pizza, lots and lots of pizza great choices.

Second day, we went to Palm Springs, thanks to Bert Wall and Ray Blackburn for driving the vans, to go on the tram in Palm Springs. Great. If you ever go, don't hold on to tight to the rail because the floor is moving around. I did that and was saved by Eva and Jane Early. Eva was hanging on to me and Jane was hollering "Let go Linda, don't hold so tight". You just had to be there. It was so funny. Loved it, thank you ladies. That night (Friday Night) those who wanted to, went to Eva and Als' favorite Mexican Food place. I can see why it's their favorite. Great place, lots of attitude, clean, good drinks and the food was excellent. The service was great.

More fun shared with fellow Chinookers. We had our annual Board meeting. It was productive. Then we had our annual address from our President Dave, then a report from all the officers present. Next we had our catered dinner. BBQ ribs and chicken, and salads, bread and desert. Eva then announced the winners of the games we had been playing. Eva said that everyone playing got a prize, those who didn't play, did not. When the music started, some left, but most stayed. I stayed and danced the night away. I had lots of fun and I am sure we all did.

Eva and Al, on behalf of the club, thank you for hosting and giving us lots of good memories. We loved it. Thanks again. We have a lot of great rallies planned, and hope to see more members participate. They are always a lot of fun..

Linda Blackburn VP Rallies

So what the heck is a "Flash Rally"?

Flash Rallies are scheduled in between the mini rallies and the annual rally. Conceivably there could be two or three flash rallies scheduled simultaneously in different areas, so that more members could attend. Some of us like a few more rallies, especially in certain geographic areas, like Oregon, Washington and far Northern California. Perhaps the Southern California, Arizona group would like the same.

The club has rallies so that members can gather, socialize, and learn more about their rigs from more "experienced" owners and those with special expertise. The Chinook RV Club has a schedule of at least three "mini" rallies and one annual rally every year.

I feel that because of the large geographic area we handle and also harder economic times, many of us would like to gather more often, but closer to home. Personally, I can't afford to fill up my Chinook several times on the way to and from a mini rally in addition to the fees for the camping. I'm sure I'm not alone in finding that I need to stay within a "camping budget".

Secondly, membership and rallies are closely linked. Younger owners are now buying many Chinooks and those potential members still work a 9-5 job, making attendance at rallies more difficult. By having more rallies in different locations throughout our area, it would be easier for someone to attend, since travel would be only a few hours instead of days, in some cases, to regularly scheduled mini or annual rallies in far away locations.

Mini rally and annual rally hosts and hostesses are reimbursed for their RV space, given a limited budget to purchase food and other items such as; travel means, decorations, prizes, etc. "Hosts" for flash rallies are not.

So why would I want to schedule a flash rally instead of a Mini or Annual Rally? Because you can be as little or as much involved as you'd like in preparation. Most RV parks require a certain number of rigs to give a discounted rate and a flash rally may only have a few rigs. You can have members make their own arrangements with the park or you can chose to handle it yourself. That's another difference. A flash rally can be as simple as letting me know that you're going to a great or new RV Park and will be there between XX and XX dates, and if anyone would like to join you, to let you know. I can then let the membership know by email, or newsletter if advance time permits, so those interested could let you know. A couple of years ago the Raudman's did that when they were heading out to the desert for some camping and welcomed anyone wanting to join them.

Lastly, many Chinook owners enjoy their rigs and the comfort they bring. How relaxing to go enjoy the outdoors while having the comforts of home and in such a beautiful RV! But organizing and coordinating rally, preparations and hosting are not for you? Consider a Flash Rally and enjoy all of those things mentioned and the company of some like minded Chinookers!

Sylvia Teague VP Rallies

First Flash Rally held July 19-21, 2013 @ Seven Feathers RV Resort, Canyonville, Oregon.

Five rigs braved the heat and stayed at the beautiful Seven Feathers RV Resort. A couple of us came a night early and stayed a day or two afterwards. There can't be enough good said about this RV Park. Beautiful wide paved roads, green grass, and 24 hour shuttle service around the resort and into Canyonville. My favorites, the hanging baskets of petunias at both ends of the bridges and entrance to the park and the nicely paved paths all around the park to walk the dogs.

In attendance from Oregon were, Anne and Bill Dare from Albany, Kelli and Jerry Scheese from Portland, and Carla Yancey from Klamath. Ray and Linda Blackburn and myself represented California! This was Carla's first outing with the

Chinook RV's and I think she enjoyed herself. She certainly learned more about the new to her 03 Chinook Premier. Here's hoping we see more of her at future rallies.

The temps turned quite warm (high 90's and 100's) during our stay, but no one melted although the AC's got a good workout. Food as usual was aplenty and no one went hungry. Pot lucks were spontaneous and excellent. A few of us had dinner and or breakfast at the casino or truck stop restaurant during our stay.

No pictures were taken of the event, but I'll leave you with a lovely picture of small part of the resort.

Gold Beach Flash Rally held Sept 12-15, 2013 @ Indian Creek RV Park, Gold Beach, OR

Wednesday 9-11-2013

Scheese' sure picked a great RV park for this rally. We were the 3rd ones to arrive, and were a day early. This campground is unique, in that there are 5 circular camping areas, each with 8 spots arranged like a wagon wheel. These are the back -in type. In the center of each group is a covered circular gazebo with electric lights, 4 long picnic benches on the perimeter, wash sink and electrical outlets at the very center, along with 2 BBQ's.

Later on that day, two more Chinookers arrived, and we had an impromptu pot-luck

Thursday 9-12-2013) In the morning, our hosts Kelli and Jerri Scheese, made French Toast and eggs for everyone. The rest of the group will arrive later, making it a total of 8 Chinooks. The weather here was a little on the cool side, in the 60's, but is a nice change from the heat of the previous week. That evening, we had our pot-luck and enjoyed each others company.

Friday 9-13-2013 In the morning we gathered at the front of the RV park to get on the shuttle for the river boat ride. Even though it was "Friday the 13th", all went well. There were 8 of us that went on Jerry's Rogue Jet boat up 52 miles on Rogue River. It was a memorable experience. Our captain had 28 years experience

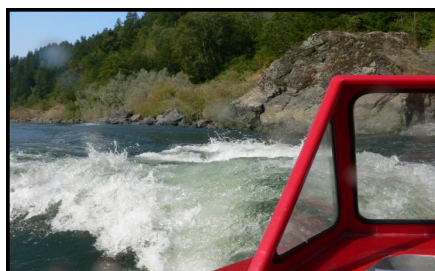

Gold Beach Flash Rally , Continued

on the river, and was a very capable driver. We stopped at Agness for a rest stop, which is 32 miles up river. Along the way we spotted river otters, bears, eagle nests , a river turtle and great scenery. Every once in a while, he would spin the boat 360

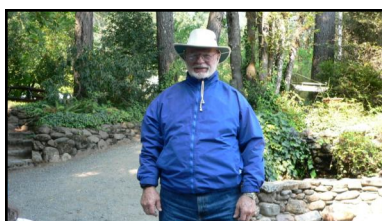

degrees, and we had to really hold on. Thrilling!

On the trip back, we stopped again in Agness for a buffet lunch. It was foggy when we started out on the trip, but soon had

clear skies, but the temps were in the 60's. Traveling 30-40 mph in the boat brought the wind chill waaaaay down. Glad I brought a coat! On a few of the "Spins" we got really soaked ! On the way back to the doc, we

stopped and fishermen proudly showed us their salmon catch. There were some really big salmon.

Saturday was free, and we held our final pot luck that night.

CHINOOK RV CLUB, 10th Annual Rally, Desert Hot Springs, CA

Wednesday 10-9-2013 For the start of our rally, most of us came today, and were greeted by winds and later in the

evening with rain. It started to rain as 6pm approached. We were scheduled to meet at the clubhouse at 6PM for Pizza dinner and get together.. It was a good turnout with 16 member coaches in attendance. We had round-robin introductions and devoured all

the Pizzas. The rain and wind continued throughout the evening.

Thursday 10-10-2013. We awoke this morning to clear skies, and a dusting of snow on the mountain peaks. Off at 9am to clubhouse for breakfast of scrambled eggs, hash brown potatoes, and biscuits and gravy, and fresh

fruit. After breakfast, we all participated in a competitive game of darts, with some members finding the target

to be elusive. In the evening a potluck is scheduled for 6pm. The Chavarelas

arrived in the afternoon, bringing total attendance to 17. As usual in our pot

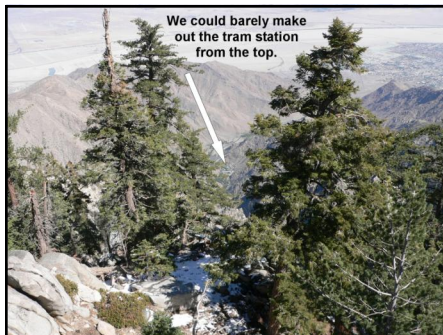

lucks, there was too much food.

Friday 10-11-2013 We gathered at

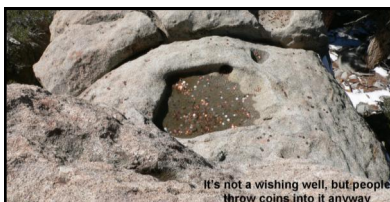

10am for the ride up to the Palm Springs Aerial Tram for our ride to the top of Mt San Jacinto State Park. Two 15 passenger vans were rented along with one of the members cars for transportation. We drove into Palm Springs and then up to the base of the Tram. The tram travels 2.5

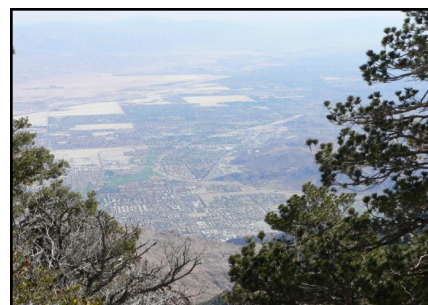

miles up to the top in just 10 minutes. Each car carries up to 50 passengers. The floor rotates slowly while the outside remains stationery, so holding onto the handrails too tightly created a problem, in that you move, but the handrail doesn't. As we neared the top, at 8500 feet, snow was on the ground, and the

temperature was a mere 46 degrees. On one of the overlook points, was a huge

bolder with a depression. People have been throwing coins into it. We had a nice (expensive) lunch there, walked around and viewed sights, and got back on the Tram about 2:30. We

caravanned back down the mountain, and drove into downtown Palm Springs to view a large statue of Marilyn Monroe. A lot of pictures were taken there. Note the size of the car in background.

We drove

back to the RV park. We had another contest, this time with weighted darts.

Dart toss contest

Some of the group left to go to a Mexican Restaurant in town. Service was a little slow, but they enjoyed themselves. The rest of us used up the left overs from the pot luck.

Saturday 10-12-2013 Started out the morning at the clubhouse with another full breakfast. After breakfast,

we were free until there was another competition, this time "ladder golf". At 4pm, there was a Board Meeting, and

5PM the Business Meeting.. Margie Froess was introduced as new

10th Annual meeting of Chinook RV Club called to order by Dave Shehane

Club Historian, Mary Ester Chavarela read the minutes, the Financial report given, and Linda Blackburn reported on

the rallies for the past year, and some in the future. After the meeting was

adjourned, we enjoyed our catered dinner. BBQ spare ribs, Chicken, several salads, rolls and dessert. After everyone had their fill, the DJ 's played some dance music with just a few participating. After several more dances,

the DJ's put on a demonstration of a Tango. Following the demonstration, they played

us to line dance. We all had a great time, and the Molina's really put on a great rally.

NOTICE FROM THE EASTERN CLUB

We have extended an invitation for the CRVC to join us in our summer rally in Elkhart, IN. The rally will be held at Elkhart Campground and we plan on a visit to the rv museum. The dates are June 23-26, 2014. Info regarding the campground is available on their website, including the phone number for reservations. www.elkhartcampground.com. They are holding 30 sites for us at this time. I realize it is a bit far for most in the CRVC and we hope to have future events so we can all get together. Perhaps a return to San Antonio some day!

We often don't have a rally host, and that is the case for Elkhart at this time, so we pay it as we go. Info to follow!

Chinook RV Club Vehicle Name Plates Available

Chinook RV Club Vehicle Plaques. These plaques are durable engraved plastic, so they will not fade or wear out, and come with a chain to hang on your Chinook. Club members proudly display them at rallies. They are available to all club members. You can get them for only \$30.

If you would like to order one, or need a replacement, send your check directly to her. Include the names as you would like them displayed on plate, including your city. See sample below.
